November was truly a month to be grateful for. Two's Town was filled with laughter and joy as we spent each day doing holiday themed crafts and shared stories of Thanksgiving. The kids got to experience a spectacular bubble show from Ms. Molly! The students were in awe as they watched Ms. Molly blow gigantic bubbles and they even got to blow bubbles of their own. Also, in November we sat together to have our Thanksgiving Feast and ate an American favorite, pizza!

As we enter December, we will be introducing new concepts, numbers, and letters! The main themes of the month are celebrating diversity and embracing our family origins. This includes learning about different holidays and listening to music from around the world. In November, we started our Family Tree project and will expanding on this project this month. We will also be learning how to express or feelings & emotions to one another.

To end the month, we will be celebrating the Winter Solstice and then we begin our winter break! It was a delight to share 2023 with you, Two's Town! Have a wonderful week off and a joyful holiday! We look forward to seeing you all next year.

### REMINDER FOR 12/15
