

October

## What we worked on...

### *September Happenings*

During the past month the themes were *I am Special, My Family, My School, My Friends*, and lastly *Home Sweet Home*. We focused on the color red and the shape, circle. Each week we learned a new number. We covered numbers 1-3 during September.

October is the month of excitement filled with a lot of fall activities and celebration. This month we will be learning about different ways to stay safe like Fire safety, Water safety, Strangers/ Halloween safety, Transportation safety, Home safety. We continued to work on numbers, letters and other skills. We will focus on the color blue and shape square. We will cover number 4-6 during October.

Your amazing two-year olds have been doing an exceptional job wearing their masks at the appropriate times! Hand washing skills are also great. We make sure we wet our hands first, apply soap and scrub the front and back of our hands as well as in between our fingers, and we have to make sure we see bubbles.

Routine trips to the Two's Town bathroom have improved both potty trained, and diaper wearing children's self-help skills in this particular area.

**Reminders: \*Be sure your child has a warm jacket. \*If your child has an upcoming birthday please email us for guidelines.**
