Immersive Chess Class & Club for K—2nd Grade and 3rd—5th Grade

Instructor Led

Kaptain Kirk teaches future leaders the game of chess, a skill that can be fun, enjoyable and provide invaluable life lessons. Students improve six critical thinking skills; understand how they learn and achieve self-development. Email Kaptain@KKChess.org for more information.

Enriching

A chess program that is more than lecture and practice. No prior chess knowledge is required. Progressive, advanced and team skills taught.

CLASS: Gain solid knowledge of fundamentals plus history and strategy. Chess themed exercises used to present concepts both in and outside game play.

CLUB: Opportunities to fine tune lessons learned in class plus develop individual and teamwork skills. Leadership skills are encouraged and practiced.

Convenient

After School — In-school coordination for safety of students. Offering two classes by age group (K-2 or 3-5) and one club for K-5.

Class includes online course with instructor guide. valued at \$200.
