## 2021 CAMP MONTICELLO

### GENERAL INFORMATION

### ABOUT CAMP MONTICELLO

At Camp Monticello, we strongly believe that each child is an individual with their interest and passion. We foster our students to build on their prior knowledge and expand their learning by allowing them to make choices in what they want to further develop. This year, Monticello Academy is offering a summer school program in conjunction with our Camp Monticello. Students can enroll in Camp Monticello only, or Camp Monticello and Summer School combined.

When students attend Camp Monticello, they are divided into three categories:

- Current Kindergarten
- Current 1<sup>st</sup>-2<sup>nd</sup> Grade
- Current 3<sup>rd</sup> and Up-Grade

Due to COVID compliances, this year we will have three sessions available for parents:

- Session 1 – June 1<sup>st</sup> – June 25<sup>th</sup>
- Session 2 – June 28<sup>th</sup> – July 23<sup>rd</sup>
- Session 3 – July 26<sup>th</sup> – August 11<sup>th</sup>

## 2021 CAMP MONTICELLO

- **Non-Essential Travel of unvaccinated persons:** Except in connection with essential travel, Californians should avoid non-essential travel outside of California, to other states or countries unless they are fully vaccinated. - **HOLIDAY CLOSURE:** Monticello Academy will be closed on **Monday, July 5<sup>th</sup>** in honor of the 4<sup>th</sup> of July celebration.

  - During summer, our after-school teachers will be the counselors for Camp Monticello depending on the camps and their specialty, they will be assigned to work in the specific themes.
- **AGE REQUIREMENT:** Current kindergarten through Middle School
- **LEADING BY EXAMPLE:** At Camp Monticello, our main goal is to facilitate a positive perception of learning and developing lasting memories of the camp experience. Our camp counselors are chosen for their maturity, skills, patience, passion, and enthusiasm for making a difference in children's lives. Each counselor is trained in CPR and First Aid that places heavy emphasis on maintaining a safe environment to prevent any major accidents. Minor accidents, such as bumps and bruises or cuts, may occur as a result of our active activities. Camp counselors will keep close supervision on all activities and model appropriate behaviors for the children.
- **CUBBIES:** All cubbies are for day use only. Every student is expected to clean out the cubbies at the end of the day. Do not leave anything behind. There are no assigned cubbies.
- **SUNSCREEN:** If you want your child to apply sunscreen daily, please make sure you submit a sunscreen permission slip and your child's sunscreen, labeled with his/her name on it.
- **ABSENCES:** If your child will be on vacation or out sick for the day, please notify the administration at [attendance@monticelloacademy.org](mailto:attendance@monticelloacademy.org) or camp counselors so we can better plan for the day.

## 2021 CAMP MONTICELLO

- **MEDICATION:** A medication form, completed by the parents or legal guardian, is required if your child needs any medication to be applied or provided during their day at Monticello Academy. Medicine can only be dispensed out of its original container with the child's name and prescription. Please remember that at Monticello Academy, it is required for the parent to take medication home at the end of each day. Exceptions to this requirement are medications such as Epi-Pens and Nebulizers. Special circumstances need to be in written form with a doctor's note, so the medication can be kept at school.
  
- **ACCIDENT REPORTS:** Any time that your child is hurt you will receive an accident report, telling you the nature of the accident. Depending on the severity of the accident, we may notify you by phone. All accident reports will be emailed to you to be signed and returned to us immediately. Please scan and send it back to you.
  
- **COMMUNICATION:** There are various ways to communicate with camp counselors:
  - **Email:** If you have any questions or concerns, please email our Camp Monticello Director, Ms. Rebecca Leung, at [rleung@monticelloacademy.org](mailto:rleung@monticelloacademy.org).
  
  - **Phone:** The classroom extensions are:

    - Camp Monticello - Kindergarten: x121
    - Camp Monticello - 1<sup>st</sup> and 2<sup>nd</sup> Grade: x148
    - Camp Monticello - 3<sup>rd</sup> Grade and Up: x126
    - Summer School / Camp Monticello – Kindergarten / 1<sup>st</sup> Grade: x107
    - Summer School / Camp Monticello – 2<sup>nd</sup> to 5<sup>th</sup> Grade: x128
  
- **GUIDANCE PLAN:** During summer camp, there are clear set boundaries. Part of disciplining children is guidance. When students have a conflict, we do not immediately intervene unless they are hurting each other. We will observe first and allow the students to resolve their problems. However, if the students are unable to resolve, then there are several techniques that we often use. They are as follow:
  - **Redirection:** Directing them to a more positive behavior or action, such as if you want to hit something, why not hit a ball. Students are always encouraged to show they are sorry rather than saying sorry to each other. Actions speak more than words.
  
  - **Reasoning:** Having a conversation and explaining to students through the use of logic and discussion about different scenarios. Role-playing generally helps students understand other's perspectives.
  
  - **Loss of privileges:** Student's privileges are removed when they have been warned at least once or twice. Privileges are removed for the day or until further notice depending on the severity of the action.
  
  - **Taking a break from the stimulation:** Sometimes giving students time to themselves can help them regroup and think about what had just happened. We allow them to sit in a quiet area to ponder about their action and how they can react differently. When they are ready, they will come to us for discussion. Having a discussion is very important as a follow-up to their break.

## 2021 CAMP MONTICELLO

- **Choice:** Students are given only two choices at a time. The choices are conducive to what we are trying to encourage at that moment and are positive.
- **Positive Reinforcement:** Catching them while they are at their best through praises and words of encouragement can go a long way.
- **Warning:** Everyone is given at least one warning before actions are taken. We need to maintain consistency and follow through before anything can be effective with the students.

These techniques will help the students learn to cope with conflicts more effectively through the usage of words rather than physical. In talking with the students, the words are very simple and straight to the point.

## 2021 CAMP MONTICELLO

### GENERAL INFORMATION

#### ABOUT SUMMER SCHOOL

As Leonardo Di Vinci once said, "Learning never exhausts the mind." The process of learning is different for each individual. Some can remember and retain their concepts during the school year while others may need a year-round program. This year, Monticello Academy is offering a summer school program in conjunction with an open camp. The open camp will be designed and conducted by one of our summer camp counselors.

For the summer school program, students will get the opportunity to maintain and refresh their previous school year's academic program. They will learn and have fun at the same time. The summer school will reinforce their learning and prepare them for the new school year. Summer School level is determined by the student's current grade. **The school will start at exactly 8:30AM each day.**

#### ABOUT REGISTRATION

Once students register for summer school, they are expected to attend the entire session to receive the full credit for summer school completion.

- **SUMMER SCHOOL ENROLLMENT CAPACITY:** Enrollment capacity is based on teacher availability. Due to CIVD-19 restrictions, we maintain a 1:15 teacher-student ratio for each grade level to ensure social distancing. Due to the limited space available, it will be first come first serve.
- **CANCELLATION:** Summer School will only be canceled if we are mandated to do Shelter-in-Place or if there is a lack of enrollment. In that case, all fees will be credited to your account or refunded. There will be no refund if you decide to withdraw or cancel.
