

## Two's Town News!

By: Ms. Shama & Ms. Swati

May was a very busy and exciting month for our Two's Town friends. We began the month with a Cinco de Mayo celebration. Our little ones enjoyed the yummy treats that their generous parents brought for the party. **We also celebrated Mother's Day with our love and affection. Children were excited to give surprise gifts to their mommy's.** We had Spirit week in which the children participated in different themed days to show off their school spirit. Some of these days included Disney Day, Western Day, and Sports Day. We found Stephen Curry, 49ers and San Jose Sharks fans one day and another day Disney princesses, Mickey and Minnie were roaming around the school yard. We also spotted some fashionable cowboy boots in our classroom. Friday was school pride day. The children were super excited to wear school shirts. We also discussed Memorial Day during this month. We learned a lot about different types of transportation on the land, air, and sea. We also learned about how each form of transportation makes it easy for us to travel.

For the month of June, our weekly themes will be: "Under the Sea", "Summer vacations", "outdoor fun", and "America the Beautiful". We will be discussing how fun the summer months are. We will also continue to review our shapes, colors, numbers, and the alphabet.

### Important Dates:

- Friday, June 10<sup>th</sup>: Stranger Danger Drill
- Sunday, June 19<sup>th</sup>: Father's Day
- Friday, June 24<sup>th</sup>: Movie & PJ Day
