

## **SUNSHINE SCOOP**

**BY: MS. CHELY AND MS. SHERYL**

*Last month our class talked about the love they have for their family and friends. An important concept was helping our four and five-year olds distinguish the difference between things we need and things we want. As another year comes to an end we welcome December.*

*Our first theme of the month is The Gift of Love. Sunshine kids will have an opportunity to discuss the "Gift of Giving" by sharing and exploring ideas on how to help those less fortunate. Hibernation is our second theme of the month. We will explore the different animals that hibernate during the winter as well as animals that migrate. Our last theme of the month will be Multi-Cultural Holidays and Traditions. Even though Diwali was in November, we will be sure to discuss the Festival of Lights as well as Hanukkah, Lunar New Year, Las Posadas and Christmas, just to name a few.*
