Immersive

Instructor Led

-
- Captain Kirk teaches future leaders the game of chess, a skill that can be fun, and enjoyable and provide invaluable life lessons. Students improve six critical thinking skills; understand how they learn and achieve self-development. Email Kaptain@KKChess.org for more information.
-

Enriching

-
- A chess program that is more than lecture and practice. No prior chess knowledge is required. Progressive, advanced, and team skills are taught.
-
- **CLASS:** Gain solid knowledge of fundamentals plus history and strategy. Chess themed exercises are used to present concepts both in and outside gameplay.
-
- **CLUB:** Opportunities to fine-tune lessons learned in class plus develop individual and teamwork skills. Leadership skills are encouraged and practiced.
-

Convenient

-
- **After School** — Classes located in school with staff coordination for the safety of students. Classes are offered by skill level and competitive play.
