Young Engineers – Big Builders

Education + Entertainment = e²dutainment

Monticello Academy - Lochinvar

- **Ages: 3-5 years old**

Our Big Builders enrichment program introduces pre-school children to scientific concepts through hands-on experiential learning. Using flexible pieces to assemble 3D models, the Big Builders course aims to enhance motor skills, challenging the children gradually. This course will provide a hands-on educational experience while teaching children technical and communication skills. **New models are introduced in each session.**

Program Objectives:

- Increase knowledge about the world and environment
- Develop fine and gross motor skills
- Encourage independent and creative thinking
- Develop problem-solving capabilities
- Boost team building, cooperation, and group play skills
- Develop spatial cognition

Session Dates: *Jan 6, 13, 20, 27; Feb 3, 10, 17; Mar 3, 10, 17, 24, 31; Apr 7, 21, 28; May 5, 12, 19*

Fees: *$360*
Every Friday 10:15-10:45am

Please drop off your completed form at the front desk. We accept cash, checks, Venmo, or Zelle as a form of payment.

General Policy Information and Waiver Please read General Policy Information and Waiver. Sign and return with completed registration form.

Class Size (minimum and maximum) is predetermined by e^2 Young Engineers to give students the ultimate learning experience and individual attention. Enrollment is not guaranteed without Full Payment. Registrations without full payment will be wait-listed if maximum class size is met with fully paid registrations. If minimum numbers of paid registrations are not met five (5) business days before class starts, parents will be notified that class has been cancelled. Upon cancellation, a full refund will be made.

Refunds will not be issued for non-attendance at a scheduled class.

Missed Classes are not rescheduled. However, we will try to accommodate your child in another class during the same session as long as there is room in the class.

Student Conduct will be discussed by the instructor with participant on the first day of classes. Students are expected to follow directions, perform to the best of their abilities, and to respect others in the class. If necessary, parents will be informed of any misconduct. e^2 Young Engineers reserves the right to release, without refund of program fees, any child whose behavior becomes unmanageable. No children will be allowed to intentionally physically harm any person or their property while class is in session. e^2 Young Engineers highly discourages students from bringing any LEGO® Bricks or personal LEGO® models to classes. e^2 Young Engineers is NOT responsible for damages or loss of any personal property while at a class.

The Staff/ Instructors at e^2 Young Engineers are individuals who have a great interest and ability in teaching Young Engineers programs to students in an exciting way. Each instructor is trained in teaching specific lessons involving the themes in the programs.

Special Needs (physical, mental, or emotional) should be brought to the attention of the instructor prior to registration, in order to provide all of our students with the most effective learning environment at the classes. Information you give us will be kept in strictest confidence. If special assistance is required during the class time, parents/guardians must provide similar assistance for his/her child at the class venue as well.

Late Child Pick-up will accrue additional charges after a 10-minute grace period. It is important that students are picked up on time. Authorized Parents/Caregivers must sign children out of programs. The only people that your child will be released to are those listed on your information form. All persons authorized to pick up students must be at least 18 years of age. If someone other than a parent will pick up the child, please give us prior written notice.

Models built in the class or pieces used in the class are not allowed to be taken home as we use LEGO® supplies in the classes.

Photo waiver and waiver for use of pictures for marketing purposes:
I do hereby consent and agree that e^2 Young Engineers has the right to take photographs of my child and to use these on the company website (www.siliconvalley.e2youngengineers.com) and promotional material without compensation. Your child's name and identity will not be revealed.

□ I allow Emika Ventures, LLC / e^2 Young Engineers to take and use my child's pictures for the above mentioned purpose.
□ I do not give permission to Emika Ventures, LLC / e^2 Young Engineers to take and use my child's pictures for the abovementioned purpose.
