

“Music expresses that which cannot be put into words.”

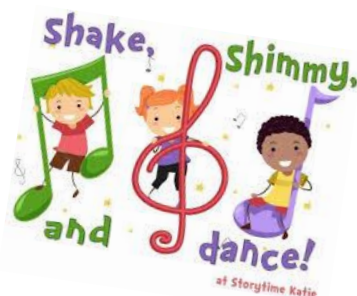

- Victor Hugo

Iari Music Vocal Academy

Music & Movement is the gateway to unlocking children’s creativity, self-expression, cognitive, and physical development. We are beyond thrilled to have the opportunity to share our love of music and look forward to starting this exciting journey with you and your child!

Iari Music Vocal Academy Preschool Curriculum Overview

Music is extremely beneficial in early childhood education for children 2-5 years old. Not only does it impact their cognitive development, but also develops their social, emotional, motivational, gross and fine motor, body image, and auditory-perceptual skills. The overall goal for our young musicians is to have fun while learning!

2-3-year-old Class Objectives:

1. Move to music.
2. Sing loudly and quietly.
3. Learn and develop listening skills.
4. Dancing
5. Introduction to various instruments: shakers, drums, scarves, rain sticks, parachute, and bells.
6. Play instruments.
7. Learning pitch (high/low), beat (fast/slow), and volume (loud/soft).
8. Create hand movements to different songs.
9. Learning nursery rhymes.
10. Recognizing a variety of sounds.
11. Music expression.
12. Creating music.

4-5-year-old Class Objectives:

1. Relationship between word meanings and following directions
2. Clapping syllables
3. Improves listening skills.
4. Echo sing and speak.
5. Learning about beats, harmony, notes, rhythm, pitch, and genre.
6. Musical contrasts.
7. Re-telling stories.
8. Memorization of songs.
9. Using different instruments: shakers, drums, scarves, rain sticks, parachutes, bells, balloons, and chimes/xylophone.
10. Play instruments while singing.
11. Create movements in response to music.
12. Vocal exploration.
13. Music expression.
14. Dynamics and tempo
15. Music theory
