***January 2021***

***Ms. Monica***

*I hope everyone had a fun fulfilled holiday break and a Happy New Year. We are off and running in the New Year. For our first theme back will cover Health & Nutrition. We will be talking about the different food groups and about all the organs inside our body. Our next theme of the month is Weather. What is a tornado? What does rain in a jar look like? What important events are in each season? Ice and water is our next theme of the month. We are going to play with frozen chalk and discuss the water cycle and how it affects our daily lives. We will also have a special visit from the Ms. Celena she will be spending time with the children for ABC Reader. One World we will be the last theme of the month we will discuss how our country helps other countries and the final theme of the month will be who are our Community helpers? Please be sure to remember check the lesson plan on a regular basis for any special projects. Has your family decided on a Kindergarten yet? We will be hosting a virtual open house on Saturday, January 23 be sure to stop or schedule a tour for our 2021 -2022 academic year. The weather is very unpredictable this time of the year. Please be sure to send your child an extra sweater to keep in your child's cubby. As always label, label, label all of your children's belongings.*
