

# Sunshine Scoop

*By Ms. Danielle & Ms. Araceli*

Our first month of school has flown by and we are looking forward to what October has to bring. October has a theme of safety preparedness. During Earthquake Preparedness week, we will learn why earthquakes happen and what we can put in an earthquake kit. Take that week as an opportunity to make your own kit for home! During Stranger safety week students will discuss who is a stranger and what we should do if approached by one. We will also conduct a Stranger Danger Evacuation Drill. Check your lesson plan and talk to your child the night before to ensure them that we are just practicing and preparing for anything! We will explore the roles of firefighters and learn what to do if our house catches fire during Fire Safety Week. Another great home opportunity is to create a plan of action for your family. The week of Halloween will be filled with many different art projects. On the 29<sup>th</sup> you are welcome to send your child in their Halloween Costume with a change of clothing. We will have an in-school parade and trick or treat while maintain our cohorts. Unfortunately, this will be a child only event as we do our part in keeping the community safe.

## Important Dates

10/5	Wear Stripes to School
10/7	Stranger Danger Drill
10/12	Fire Drill
10/15	Cooking Project: Pumpkin Bread
10/19	Wear Polka Dots to School

### *Don't Forget...*

- \*Our playground gets windy and cold. We recommend sending a jacket to keep in your child's cubby.*
- \*You can send your child to school in their costume on October 29<sup>th</sup> to celebrate Halloween.*
- \*Please sign up to bring in candy/toy donations for the trick or treat as well as cooking projects.*

*Make sure you send a change of clothes.*

***BIG THANK YOU TO ALL OF THE FAMILIES WHO SIGN UP  
FOR OUR COOKING PROJECTS. THE KIDS LOVE THEM!***
