

Creative Art Program for Three - Five Years Old Children

In this class, we hope to encourage and motivate children to freely express themselves and their creativity through various art mediums and techniques. Art is a beautiful outlet for children to communicate their emotions and show how they view the world around them. Through art, children can build confidence in their abilities, increase focus, generate love for creativity and learning, build a sense of connectedness with their community, and ultimately have fun!

Class Objective

- To allow children to freely create their imagination and creativity.
- To enjoy and have fun during the process of creating art and learn who they are through creative practices.

Tuition

- \$50.00 - include all the art materials and supplies.
- Tuition is non-refundable, non-prorated, and non-transferable.

Schedule:

- Every Tuesday @10:00AM
