Monticello Academy Parent Orientation

What is Plus Portals?

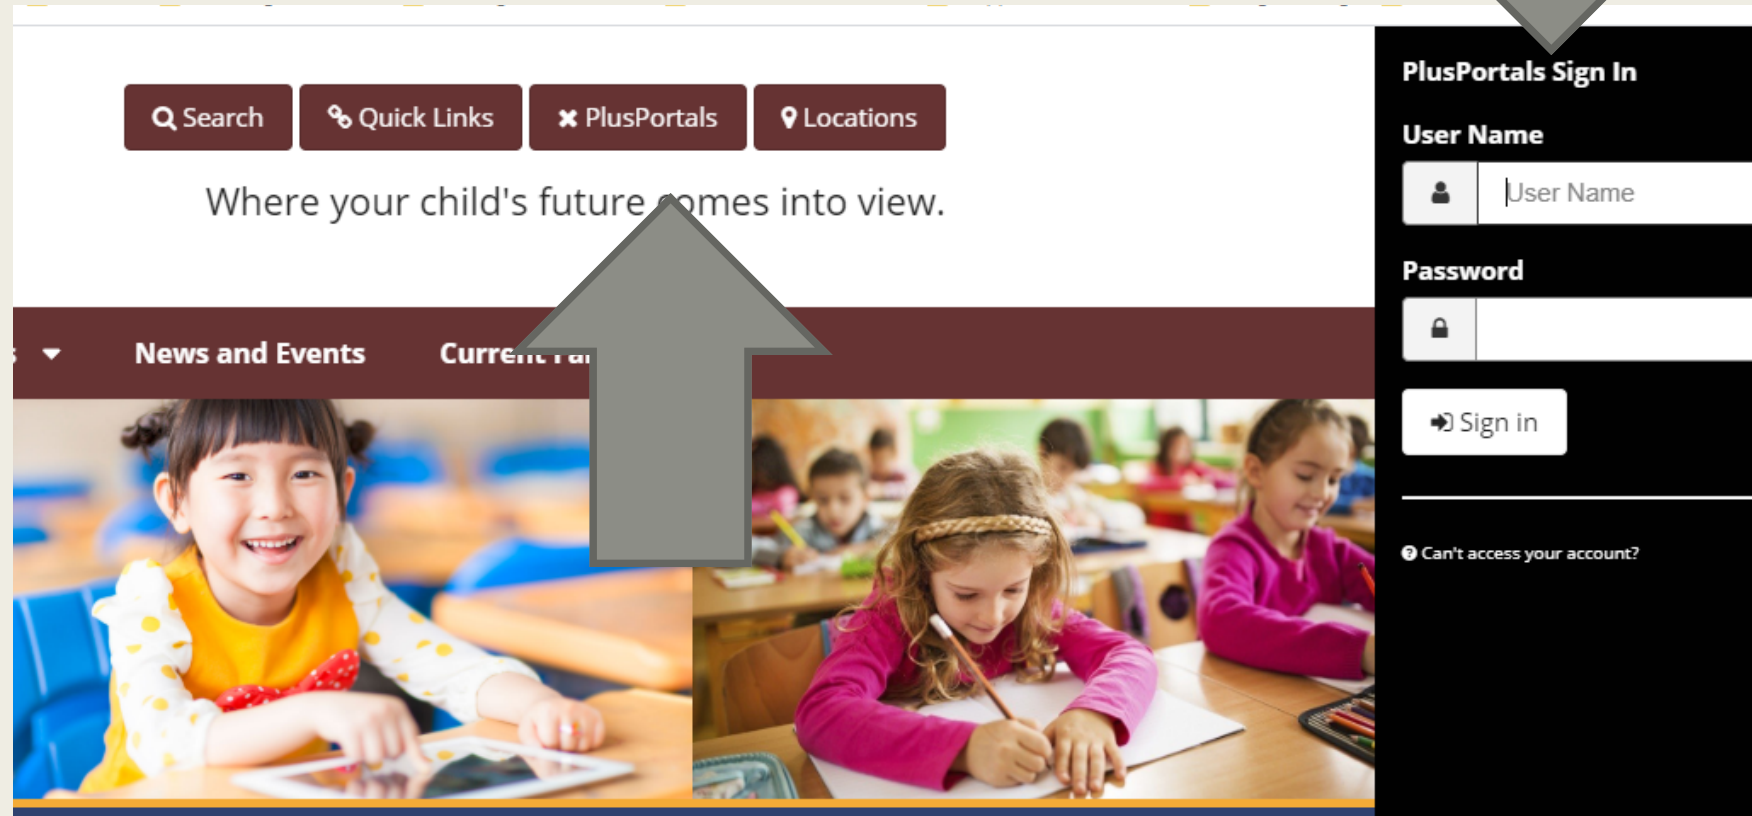

Plus Portals is a student management system that allows parents to:

- Easy access to your child's teachers and administrators
- Access to your child's grades and feedback from teachers
- Upcoming assignments, tests, and projects that are due for your child
- View the calendar and upcoming events from the school

The image shows a screenshot of the PlusPortals website. At the top, there is a navigation bar with links for Search, Quick Links, PlusPortals, and Locations. Below this is a tagline: "Where your child's future comes into view." A large grey arrow points down from the top right towards the sign-in form. The sign-in form is on the right side of the page, featuring fields for User Name and Password, a Sign in button, and a link for "Can't access your account?". The background of the website features images of children in a classroom setting.

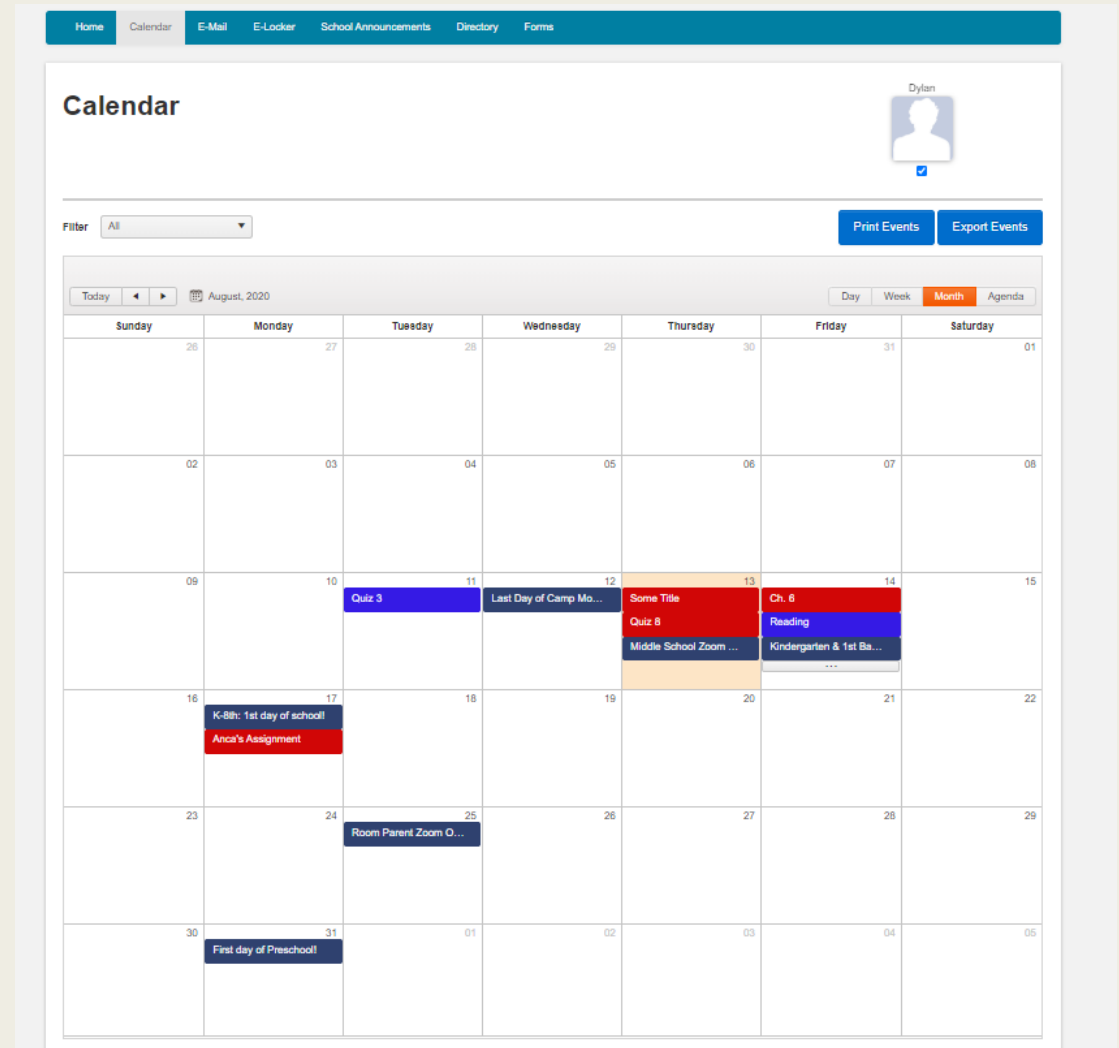

Mail

- Allows you to compose messages to teachers and administrators
- Sends you notification when messages are sent to you
- Does not allow you to send message to other students or parents

Calendar

- Syncs with Google Calendar on Home page
- It shows upcoming assignments for students

Progress

- Shows your child's grades for each class
- Allows you to send a message to the teachers right from the Academics Tab
- Gives you access to the Progress Report

The screenshot shows a user interface for a student named Dylan Truong. At the top, there's a header with the student's name and a navigation bar with tabs: Overview, Classroom, and School. Below the navigation bar, there's a section for the current class, 'Test course #1 0101/01', with links to Class Page, Lesson Plans, Performance (selected), and Progress Reports. A teacher's name, Jaffarzadeh, Arrash, is listed along with room and meeting time information. A 'View Skills/Standards' button is also present. The main content area displays a table of progress grades for the first semester, showing scores and averages for various categories like Quiz, Homework, Test, and Classwork and Projects. Below this, there's a section for 'Category Averages' with a table showing scores and averages for different marking periods. At the bottom, there's a section for 'Test1 (0101/01) Scores' with a table showing scores and averages for different marking periods.
